

“ I love playing in Sydney’s club and party scene because of the music and I enjoy it when people let go and have a great time on the dancefloor. ”

*Jimmy Dee*  
(Sydney DJ)

Syphilis screws up your sex life and it makes it much more likely to pick up and pass on HIV.

By getting tested for syphilis now, and telling our partners the results, we can start to clear it from our scene.

JOIN ME FOR A  
SYPHILIS TEST IN  
OCTOBER!

SEE YOUR GP, OR SEXUAL HEALTH CLINIC, CALL 1800 451 624 OR GO TO [www.whytest.org](http://www.whytest.org)
